Potter's Village

Potter's Village costs approximately £8000 per month to run. Most of the donations given come from individuals and supporting Churches. This leaflet outlines some of the costs faced in real terms to help supporters see how the money is spent. If you are interested in donating, please complete the enclosed form. Thank you.

Child Crisis Centre

The Child Crisis Centre was the first part of Potter's Village ministries to be established in 2007. Here up to 18 vulnerable babies are cared for until they can return to their extended families or foster carers, usually at around one year old. Many of these babies' mothers will have died in childbirth or be suffering from a mental illness. Once they leave the crisis centre, the children return for regular checks and support until they are of school age.

Suggested gifts for the Crisis Centre

1. Supply of nappy cream £5
2. Nappy liner roll £7.50
3. Passion fruit, mangoes and pineapple to make juice drinks £10
4. Baby changing mats £10
5. 5 New cot sheets £15
6. Vitamin supplements for one month £20
7. 5 day's supply of cows milk £20

Nutrition Unit

Often children who come to the Medical Centre are found to be malnourished and so the Nutrition Unit was set up. Children stay in the Unit and are put on a special feeding program until they reach their target weight. While they are there, the families are taught the basics of good nutrition and hygiene. When the children return home, they are followed up to make sure that they are continuing to thrive.

Suggested gifts for the Nutrition Unit

8. Nutrient rich sweet potato stems and high iron beans £10
9. 10 kg soya beans to make flour £10
10. A weeks supply of milk for the Unit £15
11. 25kg sack of sugar £25
12. Transport costs for community visits £40

Medical Centre and Special Care Baby Unit

The Medical Centre offers paediatric healthcare for children up to the age of 12. They commonly treat respiratory problems and malaria as well as more serious problems. The Special Care Baby Unit has 4 incubators, as well as a range of specialist medical equipment. It has a good reputation in the district and babies are referred from many miles around so that, at times, there are over 20 babies on the unit. Polystyrene boxes, bean bags and even drawers make substitute cots when there are not enough to go around.

Suggested gifts for the Medical Centre

13. Disposable nappies for tiny babies £10
14. Malaria treatment for one child £10
15. Special formula milk for new born babies £20
16. Medical supplies for two weeks £25
17. Folding tables for the special care baby unit £40

Potter's Village

Potter's Village occupies a large, well maintained site and employs over 50 local people including a doctor, clinical officer, nurses, lab technician, carers, cleaners, cooks, groundsmen, gate wardens and a toilet attendant. They are overseen by a team of senior staff – Social worker, Site Warden and Financial Administrator.
